Pick up &
drop off
point

The large turn around section of the road about 500ms from the centre. This is where the main road ends after **going through the small villages of Deniolen and Dinorwic** Its on a bus route and all our coaches come up to that point and drop students off. We need to be called on both 01286 870853 - 07825034891 so that we know the group are there. Or the other way, is to get the course leader to call us , once the coach has left the A55 at Bangor turn off, **junction 11 if travelling west** along the A55.
